Notes :

1. The above financial results as reviewed by Audit Committee were taken on record by the Board of Directors at their meeting held on 24th July, 2015.
2. The Company is engaged in the business of manufacturing, trading and other related services of Air Conditioners, Refrigerators, washing machines, chillers and VRF (variable refrigerant flow) systems. Since the Company's business falls within a single business segment of Cooling Products for comfort and commercial use, disclosures under Accounting Standard (AS) 17 - Segment Reporting are not reported upon separately.
3. The Company predominantly operates in air conditioning business which is seasonal in nature. Major sales / income from operations is generated during the first and last quarter of every accounting year and accordingly, results of current quarter are not indicative of overall performance of the year.
4. The figures of quarter ended 31st March 2015 are the balancing figures between audited figures in respect of the full financial year and the year to date figures upto the third quarter ended 31st December 2014 of the previous financial year.
5. Previous period figures have been regrouped, wherever necessary, to make them comparable with the figures of current period.
